Cherry Capital vs. True Stream – S Krupa told the board that we are paid up through December of 2020 with Cherry Capital and that it would not be cost effective to join into a contract with TrueStream at this time. G Kruskie noted that TrueStream may be willing to do a buyout with Cherry Capital if we were to ask. It was decided to look at this again in the future when it gets closer to the end of our contract with Cherry Capital.
